FREQUENTLY ASKED QUESTIONS

Q: When does this program run?

A: June 12 - August 15, Monday - Thursday, 8AM-12PM

Q: Are students allowed to miss any days?

A: Yes. Students may miss up to 3 nonconsecutive class days.

Q: Where will the program be held this summer?

A: Visit www.CTSutah.com to identify your district's campus(es).

Q: Does this course require experience in coding to be accepted?

A: No! In fact, we encourage students with no experience to apply.

Q: Is the pre-work on the student application graded?

A: No. This is judged based on completion, not proficiency.

Q: What is the application deadline?

A: Applications must be completed, online, by April 1st.

Q: Who chooses which students get accepted into the program?

A: The principal at your school has a team that will receive all applications and make selections.

Q: Who teaches the course?

A: Code to Success is self guided through a professionally developed curriculum. Mentors are at each campus to assist coding students with problems and explain methods.

Q: What materials do I need for Code to Success?

A: All materials are provided. This course comes with a one-year subscription to Pluralsight. Desktops are provided at each campus.
