My Academic Strengths are (check all that apply):

☐ Science

☐ Math

☐ English

☐ Language(s)

☐ History

☐ Technology

☐ Fine Arts

☐ Other

Specific College/University and Career Goals:

First Choice:

Second Choice:

Career Goal(s):

School-Related Extracurricular Activities:

Academic Programs - Athletic Teams - Clubs - Debate - Art/Dance/Music/Theater - Performing Groups - Student Government - Etc.

Extracurricular Activities	Participation				Distinctions, Personal Achievements, How it Shaped You
	9	10	11	12	

Out-of-School Extracurricular Activities:

Extracurricular Activities	Participation				Distinctions, Personal Achievements, How it Shaped You
	9	10	11	12	
Ongoing, Long-term Community Service:					
Ongoing Peer Counseling/Tutoring:					
Employment:					

Other: (any out-of-school/extracurricular/summer experience/interest/achievement not already covered)

Below, explain how you grew/changed as a result of ONE activity/experience you consider the most rewarding (identify the activity/experience).

Below, share the one accomplishment you are most proud of. Then explain what that accomplishment taught you about yourself (and others).

What adjectives best describe you? Share at least 3.

What are the first words your TEACHERS might use to describe you?

What talents/interests make you stand out in an interesting or unique way?

Which of your teachers at Cyprus know you best?

Are there any outside circumstances in your recent experience or background that you have overcome or that have interfered with your academic performance? Consider home responsibilities or difficulties, illness, loss, or other factors. Write about those here:

Student Rating

Which of the following best describes the academic courses you've chosen?
